Parish Youth Inaugural Liturgy 2023-2024
Theme: “You also should do as I have done to you”

Instructions:

As the youngsters enter in for the Eucharistic celebration, each of them could be given a paper heart, preferably red in colour, with their name written on them. This heart should be collected during the offertory in containers and taken in procession to be given to the priest along with the bread and wine.

Introduction:

Dear friends, as we begin a new pastoral year, a warm welcome to each and every youngster for this inaugural Eucharistic celebration. Pope Francis in his message to the youngsters all over the world says that, ‘we need to be like Mary who rose and went with haste to serve the other.’ In today’s world there are so many who are in need of our help, we just have to look around in order to recognise their need so that we could open our hearts to them. The theme for this pastoral year tells us to do the same, ‘YOU ALSO SHOULD DO AS I HAVE DONE TO YOU,’ keeping this in mind let us ask for us a heart of service like Mary during this Eucharistic celebration.

Penitential Rite:

Dear Jesus, many a time we youngsters have wasted the opportunities to be of service to the people in need. We have wasted much of our time on mobiles and social media instead of sharing love to the people around us, and in this way we have inculcated an attitude of indifference. We have failed you Jesus, we ask Your pardon.

Prayer of the faithful:

1. We pray; for the Pope, bishops, priests and religious, that they may be examples of loving-service to their people through their lives. For this we pray to the Lord.
2. We pray; for the political leaders, that they may work for the society with true responsibility and genuine love. For this we pray to the Lord.
3. We pray; for the youngsters all over the world, that they may open their heart and mind to serve the needy in order to build a peace loving community. For this we pray to the Lord.
4. We pray; for the youth of our (parish name) parish, that they may offer their lives in God’s service by the example of Mary our mother. For this we pray to the Lord.

Offertory:

(Pass around containers depending on the number of youngsters gathered, to collect the paper hearts. Once all hearts are collected then the container could be brought along with the bread and wine to be offered in the hands of the priest)

Jesus at the last supper, washed the feet of his apostles, in order to symbolise His commandment of love. Today, we don’t need to go and wash other’s feet but instead we need to open our hearts for the charitable service. To do this, we need the grace of Jesus Christ, therefore let us offer to God our hearts through these symbols along with the bread and wine.

Pledge

Dear Jesus,

Our youthfulness/ is your beautiful gift /to us all/. You have blessed us/ with lots of potential/.
